## ABOUT US

Built on the foundations of youth voice and positive youth development, HOME Youth & Resource Center was established in 1994 as a grassroots community effort and eventually joined Community Action Agency in 2003. HOME's services are catered to at-risk, runaway, street, and homeless youth—however, we invite ALL youth to visit HOME and enjoy what we have to offer.

If you would like to connect with us, volunteer, donate, or otherwise get involved, we would love to hear from you!
