**What:** 10 bed emergency house (shelter) serving Marion & Polk Counties

**When:** 24 / 7 / 365

**Where:** Near downtown Salem (contact us for exact address). ADA accessible and near bus line

**Why:** To provide temporary housing, case management & opportunity to our community's youth who's age and circumstances often leave them falling through the cracks without a safety net.

**How:** Through community partnerships, grants and generous donors.

**Access:** Call directly (#971.273.7300) or via our Drop In center (625 Union St NE Salem / #503.391.6428)

**Referrals:** Please call ahead for a pre-screen and bed availability. We would like to avoid unannounced referrals showing up directly at the house. If we are unable to provide shelter, we are not responsible for finding an alternative placement except for youth self-referrals.

- **Law Enforcement & DHS:** Anytime. If during night hours we will ask you to stay onsite while we complete the intake process to assist in providing supervision.
