

Empower Your Workforce

Community Health Worker Training

Looking to strengthen your outreach, care coordination, and equity efforts?

This training certifies individuals as CHWs in Oregon—equipping them with skills to connect, advocate, and serve our most vulnerable communities.

- **90- hour certification (CEUs)**
- **5 individual homework assignments**
- **Focus on real-world skills and systems navigation**
- **OHA- approved curriculum grounded in popular education.**

TOPICS INCLUDE

- Popular Education
- The Social Determinants of Health
- Trauma Informed Care
- Public Health
- Counseling Skills
- Access to Healthcare

COURSE INFO

Tuesdays & Thursdays

9:00am - 1:30pm

20 sessions via Zoom

\$750.00 per participant

WHY IT MATTERS

Community Health Workers are the bridges to equity, access, and trust in healthcare and social services. We are advocates, connectors, and change makers.
